

**CANDIDATE FOR MAYOR
CITY OF MONTCLAIR**

NAME: MIKE MARIANA

OCCUPATION: Retired

In order to be free from those who want to gain influence with city officials, I have refrained from seeking endorsements or money. It is my belief as Mayor that I should serve all the citizens of Montclair. Having served in the military and as police officer, I have dealt effectively with the public. This has given me a unique insight on working with and helping the public.

I believe in fiscal responsibility. As your Mayor, I would ask for an audit to determine how your money is being spent. Citizens pay first class taxes, so they should get first class service. I will take pro-active measures towards police and fire protection, and all services within the city. As Mayor, I will be out contacting households and business on a regular basis so that I can be in tune to the needs of everyone in Montclair.
